INVITATION

HYBRID DISSEMINATION WORKSHOP: GUIDELINE ON THE ROAD AND RAIL SAFETY MANAGEMENT IN THE SOUTH AFRICAN MINING INDUSTRY

DATE: 02 DECEMBER 2025

TIME: 09:00 – 14:00

VENUE: PROTEA HOTEL LANDMARK, LIMPOPO, POLOKWANE

ONLINE PLATFORM: MS TEAMS

RSVP: click HERE by no later than 20 November 2025

The aim of the workshop:

Hosted through **Mining Occupational Safety Advisory Committee (MOSAC),** the workshop aims to foster an understanding of the Guideline on Road and Rail Safety Management in the South African Mining Industry, which will assist in key decision making in protecting the health and safety of affected mineworkers.

Who should attend:

- Mine Health and Safety Inspectorate
- Organised Labour Representatives
- Occupational Hygiene and Safety Practitioners
- Mining Legal Practitioners
- Mining Engineers
- Road and/or Rail Safety experts
- Mine Engineers (Mechanical and Electrical)
